You can also set your GPS to take you via the M15, the new Hunter Expressway (exit off the M1), then taking the exit to John Renshaw Drive and then to Buchanan Drive, which will bring you into East Maitland. Follow your GPS directions to New England Highway and continue along, turning right at the Melbourne Street intersection. Or you can follow the directions below which keep you on the M1 until it intersects with New England Highway at Thornton.

From Sydney: (approx 2 hours from the start of the M1)

- Take the Sydney – Newcastle (M1) expressway north towards Newcastle. At the end of the freeway keep going straight ahead through the big roundabout. Keep going til the end.
- Turn left onto New England Highway and continue along.
- After passing Stockland Greenhills, turn right at the Melbourne Street intersection at the bottom of the hill, then turn left at the next set of traffic lights, at Pitnacree Road, which becomes Flat Road. Don't take the next right hand turn on to Pitnacree Road, which is about 1km further along. *Note: If you have taken the expressway, you will enter New England Highway **after** Greenhills.*
- Stay on Flat Road to the end until you get to the roundabout, and turn right on to Paterson Road which becomes Tocal Road. Continue on to Paterson. Make sure you stay left of the service station at Bolwarra and follow the signs to Paterson. Don't stay on Paterson Road which veers to the right of the servo, but keep left and you will be on Tocal Road. *If you need to use your mobile phone DO IT NOW as mobile phones may not work outside of Maitland. It is approx. 30 minutes from here. (No problem with Telstra Next G network).*
- Turn left at the T intersection at Paterson. Go over the railway line and you will see a sign to Cabins in the Clouds on your left. Travel along this road to Vacy. *Note: You may wish to visit the excellent butcher at Paterson and there is also a well stocked supermarket.*
- At Vacy you can buy any last minute items from the General Store on your left. The General Store is open until 5pm weekdays, 3pm weekends.
- Travel over the Vacy bridge (single lane bridge) then turn 1st left into Summer Hill Road. There is a sign to Cabins in the Clouds on the pole on your right. Please drive carefully as there are often kangaroos and wallabies crossing this road, especially at dusk.
- Travel 5.2 kms along Summer Hill Road – (travel past Fishers Hill Road on right), over the low bridge then take the second turn left on to Moonabung Road, where you will find another sign pointing to Cabins in the Clouds. Travel to the top of the mountain, about 4 kilometres. It is a winding single lane road, but there are areas where you can pull off the road to allow a car to pass from the opposite direction.
- Please drive carefully up the mountain and keep a look out for wildlife, especially kangaroos, wallabies, wallaroos, turtles, goannas, echidnas, wombats and lizards. They love to sunbake on the road!
- At the top of the mountain, the road forks. Follow the road to your right. If the gate is closed, you will need to stop at the gate and manually open it (and close it) by lifting the latch on your left.
- **There is a mud map of the resort on a tree to your left. Jabiru is the first cabin on your right, Wonga is the second cabin on your right, Tallarook is the third cabin on your right. Peta is the last cabin at the end of the road. Visitor parking is located near the swimming pool (follow the sign).**
